Hello Global Star Investments Limited,

The Kenya Revenue Authority (KRA) appreciates your continued commitment to tax compliance.

We are pleased to inform you that the Tax Amnesty Programme has been reintroduced under the Finance Act, 2026, providing eligible taxpayers with an opportunity to clear outstanding tax obligations and regularize their tax affairs.

Based on our review, your tax ledger is as follows:

1. Principal Tax: KES .04
2. Interest: KES 7239.37
3. Penalties: KES 21508.1

To benefit from the amnesty program, simply **pay** the principal tax amount of KES .04. Upon payment, the eligible interest and penalties will be **waived** for you in line with the Finance Act, 2026.

This is an opportunity to clear your tax record, maintain compliance, and move forward with confidence.

To make payment, log in to iTax and generate a Payment Registration Number (**PRN**): <https://itax.kra.go.ke>
