Dear Peter,

Thank you for contacting us.

Kindly log in to your iTax account using your PIN and password, file all pending returns for that obligation if any and apply for a waiver of the penalty. If you wish to apply for a waiver, kindly log into your iTax profile using your PIN and password, go to debts and enforcement, click on request for waiver for penalties, enter the details, attach supporting documents and submit. You will get an acknowledgement receipt and await approval. Once the waiver has been approved, you can amend or change details of your PIN on iTax platform by checking under e-Registration module; e- Amendment to amend your PIN details, e-Cancellation of erroneous tax obligation on your profile or to cancel your PIN or e-Dormance to put any tax obligation or PIN number to dormancy status. You will have to file your return until the PIN is cancelled or e-Dormance is approved. Please remember to file your income tax return on or before June 30th 2025 to avoid penalties.

Kind Regards,

Pascal N.
