Re: Sender ID: GLOBALSTAR

This is to request Safaricom PLC through Africa's Talking to raise the above Sender ID.

The Sender ID will be used to dispatch commercial rent receipts, eTIMS invoicing notices, and rent due reminders to tenants of Global Star Investments Limited.

It falls under the transactional category.

Africa's Talking will manage the Sender ID.

Thank you for your cooperation.

Yours Faithfully,

Peter Odhiambo

Director, Global Star Investments Limited
